Compliance Consulting – Professional Development

Achieve Success with Our Seminars and In-House Training Courses

Regulatory requirements in the field of compliance are rapidly increasing. Whether it's the **Battery Regulation (BattVO)**, the **Packaging & Packaging Waste Regulation (PPWR)**, or the **General Product Safety Regulation (GPSR)** – for many businesses, this means a wave of new rules and obligations that can be difficult to navigate.

We ensure you stay ahead: Through **seminars and in-house training courses**, we provide practical knowledge and equip you with the tools to efficiently integrate these new requirements into your daily business operations.

Our Topics:

- WEEE-Directive & ElektroG
- Packaging Directive & VerpackG
- PPWR
- Battery-Directive & BattG
- Battery-Regulation
- GPSR
- Ecodesign-Regulation
- Raw Materials Directive, ElektroStoffV
- REACH-Regulation
- Digital Product Passport (DPP)

Compliance Consulting – EPR-Compliance Check

From Analysis to Implementation: Your Strategy for Extended Producer Responsibility (EPR)

With our Compliance Check, we support you in meeting your EPR obligations in accordance with legal requirements in various European countries, such as the WEEE Directive, ElektroG, and the Battery Regulation (BattVO).

We analyse your requirements and work with you to develop a tailored solution for your company.

1

Inventory Assessment of Your Product Range and Distribution Structures

2

Product Categorisation

3

Review of Your Obligations & Implementation Recommendations

Bitkom Servicegesellschaft mbH

The Bitkom Servicegesellschaft is a subsidiary of Bitkom e.V. with the following business areas:

- The **Bitkom Events** are about the future of the digital economy. At our major events, we regularly bring global players and startups, politics and science together for mutual exchange.
- **Bitkom Akademie** is the first point of contact for further training for specialists and managers on IT topics and digital trends.
- **Bitkom Consult** advises companies on all legal, technological and organizational questions relating to data protection.
- **Bitkom Research** conducts extensive studies on current digital topics in business and society..
- At **Bitkom Compliance Solutions**, we offer an EU-wide compliance solution for producers, distributors, and importers of electronic devices, batteries, and packaging, ensuring their products are sold and disposed of in accordance with relevant regulations.

- Bitkom e.V. represents more than 2,200 member companies from the digital economy.
- The members include more than 1,000 medium-sized companies, over 500 startups and almost all global players.
- Bitkom promotes and drives the digital transformation of the German economy and advocates broad social participation in digital developments. The aim is to make Germany an efficient and sovereign digital location.
